The more you know, the more you’ll support decriminalization.

LAST YEAR, THERE WERE 91 MURDERS, 292 RAPES AND 6,624 ROBBERIES IN OUR CITY. BUT DON’T WORRY. WE HAVE 12 OFFICERS WORKING FULL-TIME ARRESTING PROSTITUTES.

Neither drive-bys nor DUIs nor drug dealers could deter these busy officers from adding 4900 prostitution-related arrests to our already backed-up court system last year. If they’d arrested even half as many murderers, rapists and burglars, we wouldn’t have the kind of statistics you see above. When a law attempts to put our “morality” before our safety, it’s not a law. It’s a crime.
